Proposed Accelerated Bookbuild

CVS Group plc (AIM: CVSG), one of the UK's leading providers of integrated veterinary services, is pleased to announce its intention to conduct a placing of up to approximately 3,019,500 new ordinary shares of 0.2 pence each in the Company (the "Placing Shares"), at a price expected to be not less than 1000p per Placing Share (the "Placing"). The expected minimum Placing Price represents a discount of not more than 3.85 per cent. to the Closing Price on 12 December 2016, being the last practicable trading day prior to the release of this Announcement.

The Placing Shares are being offered by way of an accelerated bookbuild ("Bookbuild"), which will be launched immediately following this Announcement. It is anticipated that the Placing will raise approximately £30 million before expenses. The final price and number of the Placing Shares will be determined following the Bookbuild. N+1 Singer will be acting as sole bookrunner in connection with the Bookbuild.

The Placing Shares represent up to approximately five per cent. of the Company's existing issued share capital and the Company has existing shareholder authority to issue and allot the Placing Shares.

Highlights of the Placing

- CVS intends to raise at least £30 million pursuant to the Placing at a price expected to be within a 5% discount to the Closing Price on Monday 12 December 2016, with the final price to be determined through the Bookbuild (the "Placing Price").

- The net proceeds of the Placing will be used to enable the Group to fund its expected future acquisitions in the UK and the Netherlands, in line with the Group's existing growth strategy.
- The Placing is being made under existing authorities and is conditional on, amongst other things, admission of the Placing Shares to trading on AIM.
- The expected minimum Placing Price represents a discount of not more than 3.85 per cent. to the Closing Price on 12 December 2016, being the last practicable trading day prior to the release of this Announcement.
- The Bookbuild will close at such time as N+1 Singer and the Company may determine in their absolute discretion.
- Following the close of the Bookbuild, a further announcement will be made as to the final number of Placing Shares to be issued pursuant to the Placing and the Placing Price, the gross proceeds and the estimated net proceeds.

Background to and reasons for the Placing

CVS is one of the UK's leading providers of integrated veterinary services for small and large animals through its national network of veterinary practices, referral centres, laboratories, pet crematoria and on-line dispensary. The Group has demonstrated consistent growth since it listed in 2007, arising from its stated strategy of acquiring and integrating veterinary practices and other complementary operations, augmented with a wide range of organic growth initiatives. The extent of the established network offers significant opportunities for future growth in areas including, amongst others, the expansion of the Company's healthy pet club loyalty schemes, improved buying synergies, dedicated out-of-hours emergency cover, pet insurance and own brand medicines and pet food.

CVS has a well-established integrated model covering much of the UK. In the year ended 30 June 2016, the Company's last financial year, CVS reported revenues of £218.1m, 30.4 per cent. higher than the prior year, and generated a reported operating profit of £11.8m (2015: £9.8m). From an acquisition perspective, 2016 was a record year for the Company with 67 surgeries acquired, together with three crematoria. Of particular note were the acquisition of the Group's first practice in Northern Ireland and the enhancement of the Group's network of referral centres, through the acquisition of two established sites and a state-of-the-art greenfield development in South East England. Acquisition spend in the year ended 30 June 2016 was £61.3m and the Group also invested £6.4m of capital to develop its properties and equipment.

The UK market for veterinary services remains relatively fragmented and the Board estimates that CVS's market share of the smaller animal market is approximately 12 per cent. and much lower in the farm animal and equine sectors.

The Group's AGM statement, which was released on 24 November 2016, confirmed that the pace of acquisitions has continued in the current year and that the pipeline of potential acquisitions remains strong. At the time of the AGM, 18 surgeries had been added in eight acquisitions completed in the current year, including the first acquisition in the Netherlands. Since the AGM, CVS has completed a second acquisition in the Netherlands at Drachten bringing the total number of surgeries operated by the Group to 379. These acquisitions continued the geographic development of the Group across the UK and further developed the large animal and equine activities as well as the small animal businesses. Further, the AGM statement confirmed that like for like Group sales grew by 6.3 per cent. year on year and gross margins and underlying profitability for the first four months of the current year were ahead of the Board's expectations.

The Netherlands is seen as a market which shares many of the characteristics of the UK and the Board believes that expansion in this territory represents a significant opportunity for the Company as does the continued consolidation of the UK.

The Group wishes to ensure that it is able to continue to acquire veterinary practices in the UK and the Netherlands without significantly increasing its gearing levels. Having considered the potential opportunities within the Company's current pipeline of acquisitions the Directors consider it appropriate to raise equity capital to achieve this objective.

Following the Placing, the Group will continue to invest in its integrated model in line with details provided in its annual report for the year ended 30 June 2016. In addition to pursuing further acquisitions, this includes the development of a small number of greenfield sites, the expansion of the referrals business, the introduction of own brand insurance, and the further development of additional services. The Group will also continue to invest in the training and career development of its staff and has introduced an additional layer of management in the Veterinary Practice Division to enhance the support of the practices and maximise their potential.

The Board does not currently intend to change its acquisitive or organic growth strategies following completion of the Placing.

Risks and Uncertainties

A description of the principal risks and uncertainties associated with the Group's business and how they are being managed is included in the Group's Annual Report and Accounts for the year ended 30 June 2016 (on pages 23 and 24). The Board considers that these principal risks and uncertainties are those applicable to the Group at the current time.

A number of these factors are beyond the Group's control. As a result, the Group's actual future results may differ materially from the plans, goals, and expectations set forth in the Group's forward-looking statements.

The Placing Shares will, when issued, be subject to the articles of association of the Company and credited as fully paid and will rank pari passu in all respects with the Existing Ordinary Shares,

Principal terms of the Placing

- 1 N+1 Singer is acting as nominated adviser, financial adviser and broker to the Placing, as agent for and on behalf of the Company. N+1 Singer is authorised and regulated in the United Kingdom by the **FCA** and is acting exclusively for the Company and no one else in connection with the matters referred to in this Announcement and will not be responsible to anyone other than the Company for providing the protections afforded to the customers of N+1 Singer or for providing advice in relation to the matters described in this Announcement.

- 3 The Placing Price per Placing Share will be payable by all Placees to N+1 Singer (as agent of the Company). The Placing Price and number of Placing Shares will be agreed between the Company and N+1 Singer at the close of the Bookbuild and confirmed to Placees by telephone and/or email along with their final allocation, and will be disclosed in the announcement confirming the result of the Placing.
- 4 Each Placee's allocation is determined by N+1 Singer in its discretion following consultation with the Company and has been or will be confirmed orally by N+1 Singer. That oral confirmation will give rise to an irrevocable, legally binding commitment by that person (who at that point becomes a Placee), in favour of N+1 Singer and the Company, under which it agrees to acquire the number of Placing Shares allocated to the Placee at the Placing Price and otherwise on the terms and subject to the conditions set out in this Appendix and in accordance with the Company's articles of association. Except with N+1 Singer's written consent, such commitment will not be capable of variation or revocation at the time at which it is submitted. A form of confirmation will be dispatched to each Placee as soon as possible following the oral confirmation of its allocation.
- 5 Each Placee's allocation and commitment will be evidenced by a form of confirmation issued to each such Placee by N+1 Singer. The terms of this Appendix will be deemed incorporated in that form of confirmation.
- 6 Each Placee will have an immediate, separate, irrevocable and binding obligation, owed to N+1 Singer (as agent for the Company), to pay to it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has agreed to acquire and the Company has agreed to allot and issue to that Placee.

- 7 Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing is/are confirmed, settlement for all Placing Shares to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "**Registration and Settlement**".
- 8 All obligations of N+1 Singer under the Placing will be subject to fulfilment of the conditions referred to below under "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Termination of the Placing".
- 9 By participating in the Placing, each Placee will agree that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
- 10 To the fullest extent permissible by law and applicable FCA rules, none of (a) N+1 Singer, (b) any of N+1 Singer's affiliates, agents, directors, officers, consultants, (c) to the extent not contained within (a) or (b), any person connected with N+1 Singer as defined in the FSMA ((b) and (c) being together "**affiliates**" and individually an "**affiliate**" of N+1 Singer), (d) any person acting on N+1 Singer's behalf, shall have any liability (including to the extent permissible by law, any fiduciary duties) to Placees or to any other person whether acting on behalf of a Placee or otherwise. In particular, neither N+1 Singer, nor any of its respective affiliates shall have any liability (including, to the extent permissible by law, any fiduciary duties) in respect of their conduct of the Placing or of such alternative method of effecting the Placing as N+1 Singer and the Company may agree.

Registration and Settlement

If Placees are allocated any Placing Shares in the Placing they will be sent a form of confirmation by N+1 Singer, as soon as it is able which will confirm the number of Placing Shares allocated to them, the Placing Price and the aggregate amount owed by them to N+1 Singer.

Each Placee will be deemed to agree that it will do all things necessary to ensure that delivery and payment is completed as directed by N+1 Singer in accordance with either the standing CREST or certificated settlement instructions which they have in place with N+1 Singer.

Settlement of transactions in the Placing Shares (ISIN: GB00B2863827) following Admission will take place within the CREST system, subject to certain exceptions. Settlement through CREST is expected to take place on 16 December 2016 unless otherwise notified by N+1 Singer and Admission is expected to occur no later than 8.00 a.m. on 16 December 2016 unless otherwise notified by N+1 Singer. Admission and Settlement may occur at an earlier date, which if achievable, will be notified through a Regulatory Information Service. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and N+1 Singer may agree that the Placing Shares should be issued in certificated form. N+1 Singer reserves the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as they deem necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in a Placee's jurisdiction.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above, in respect of either CREST or certificated deliveries, at the rate of 2 percentage points above prevailing LIBOR as determined by N+1 Singer.

Each Placee is deemed to agree that if it does not comply with these obligations, N+1 Singer may sell any or all of their Placing Shares on their behalf and retain from the proceeds, for N+1 Singer's own account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the amount owed by it and for any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of their Placing Shares on their behalf.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees must ensure that, upon receipt, the conditional form of confirmation is copied and delivered immediately to the relevant person within that organisation. Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to United Kingdom stamp duty or stamp duty reserve tax. Placees will not be entitled to receive any fee or commission in connection with the Placing.

Conditions of the Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The obligations of N+1 Singer under the Placing Agreement are, and the Placing is, conditional upon, inter alia:

- (b) Admission occurring by not later than 8.00 a.m. on 16 December 2016 (or such later date as the Company and N+1 Singer may agree in writing);

(all conditions to the obligations of N+1 Singer included in the Placing Agreement being together, the "**conditions**").

If any of the conditions set out in the Placing Agreement are not fulfilled or waived in accordance with the Placing Agreement within the stated time periods (or such later time and/or date as the Company and N+1 Singer may agree, provided that the time for satisfaction of the condition set out in (b) above shall not be extended beyond 8.00 a.m. on 23 December 2016), or the Placing Agreement is terminated in accordance with its terms, the Placing will lapse and the Placee's rights and obligations shall cease and terminate at such time and each Placee agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof.

By participating in the Placing, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described above and under "Termination of the Placing" below and will not be capable of rescission or termination by it.

Some or all of the conditions may be waived in whole or in part by N+1 Singer, in its absolute discretion by notice in writing to the Company and N+1 Singer may also agree in writing with the

Company to extend the time for satisfaction of any condition. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

N+1 Singer may terminate the Placing Agreement in certain circumstances, details of which are set out below.

Neither N+1 Singer, the Company nor any of their respective affiliates, agents, directors, officers, employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision any of them may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision any of them may make as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of N+1 Singer.

Termination of the Placing

N+1 Singer may terminate the Placing Agreement, in accordance with its terms, at any time prior to Admission if, inter alia:

- 1 there has been a material breach of any of the warranties given by the Company in the Placing Agreement or of any other provision of the Placing Agreement where such circumstances would have a Material Adverse Effect; or
- 2 an event has occurred or arisen prior to Admission which if it had occurred prior to the date hereof would have made any of the warranties given by the Company in the Placing Agreement untrue, inaccurate or misleading in any material respect where such circumstances would have a Material Adverse Effect; or
- 3 there has been any material adverse change in the financial position or prospects of the business of the Group (taken as a whole) and, in the opinion of N+1 Singer acting reasonably, the effect of such change is such that the Placees should not be required to subscribe for Placing Shares at the Placing Price;
- 4 it shall come to the notice of N+1 Singer (whether by receipt of notification under the terms of this agreement or otherwise) that any statement in any announcement or material prepared by the Company in relation to the Placing is incorrect or has become untrue, incorrect or misleading to a material extent as a result of a new matter or change or that a new matter has arisen or change has taken place which would, if the Placing Materials were published at that time, constitute a material omission from such documents; or
- 5 if there shall have developed or occurred any act of terrorism, outbreak of hostilities, change in national or international financial, monetary, economic, political or market conditions including fluctuation in exchange rates which would have a Material Adverse Effect.

If the Placing Agreement is terminated in accordance with its terms, the rights and obligations of each Placee in respect of the Placing as described in this Announcement shall cease and terminate at such time and no claim can be made by any Placee in respect thereof.

By participating in the Placing, each Placee agrees with the Company and N+1 Singer that the exercise by the Company or N+1 Singer of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or N+1 Singer and that neither of the Company nor N+1 Singer need make any reference to such Placee and that neither N+1 Singer, the Company, nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to such Placee (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

By participating in the Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and under the "Conditions of the Placing" section above and will not be capable of rescission or termination by it after the issue by N+1 Singer of a form of confirmation confirming each Placee's allocation and commitment in the Placing.
