Proposed Accelerated Bookbuild

CVS Group plc (AIM: CVSG), one of the UK's leading providers of integrated veterinary services, is pleased to announce its intention to conduct a placing of up to 6,319,000 new ordinary shares of 0.2 pence each in the Company (the "Placing Shares"), at a price expected to be not less than 1050 pence per Placing Share (the "Placing").

The Placing Shares are being offered by way of an accelerated bookbuild (the "Bookbuild"), which will be launched immediately following this Announcement. The final price and number of the Placing Shares will be determined following the Bookbuild. N+1 Singer is acting as sole bookrunner in connection with the Bookbuild.

The Placing Shares will represent a maximum of approximately 9.88 per cent. of the Company's existing total voting rights and the Company has existing shareholder authorities to issue and allot the Placing Shares on a non pre-emptive basis.

Summary Details of the Placing

- The net proceeds of the Placing will primarily be used to enable the Group to pay down debt and create additional headroom to help fund expected future acquisitions, including an identified pipeline (described more fully below) of approximately £40 million of deals which the Group expects to conclude in the next six months.
- The Placing and application of the net Placing proceeds are in line with the Group's existing funding and growth strategies.
- The Placing is being made under existing shareholder authorities and is conditional on, amongst other things, admission of the Placing Shares to trading on AIM.

- The minimum Placing Price represents a maximum discount of approximately 13.9 per cent. to the Closing Price on 15 February 2018, being the last practicable trading day prior to the release of this Announcement.
- The final Placing Price will be determined through the Bookbuild (the "Placing Price").
- The Bookbuild will close at such time as N+1 Singer and the Company may determine in their absolute discretion.
- Following the close of the Bookbuild, a further announcement will be made as to the final number of Placing Shares to be issued pursuant to the Placing and the Placing Price, the gross proceeds of the Placing, the estimated net proceeds and reconfirming the expected Admission date.

Background to and Reasons for the Placing

In summary, the net Placing proceeds will be used to enable the Group to pay down debt and create additional headroom to help fund expected future acquisitions, including an identified pipeline (described more fully below) of approximately £40 million of deals which the Group expects to conclude in the next six months. This represents a continuation of the Group's existing funding and growth strategies.

CVS is one of the UK's leading providers of integrated veterinary services through its national network of veterinary practices (servicing the small animal, equine and farm animal markets), specialist referral centres, diagnostic laboratories, pet crematoria and its on-line dispensary. The Group has demonstrated reliable growth trends since it floated in 2007, achieved through the implementation of its strategy to acquire and integrate veterinary practices and other complementary operations and a range of organic growth initiatives that benefit from CVS's scale and integrated model. The Group's integrated offering also includes out-of-hours centres, buying groups, and own brand products (medicines, food, 'healthy animal' clubs and insurance). Cash generation and the measured use of debt and equity has funded both investment in the business and the making of acquisitions, creating significant shareholder value since float.

The Group's well-established, integrated model covers much of the UK and it entered the Netherlands in November 2016 with a view to developing, over time, a business similar to that in the UK.

In the year ended 30 June 2017, the Company's last completed financial year, CVS reported revenues of £271.8m, 24.6 per cent. higher than the prior year, and an operating profit of £17.2m (2016: £11.8m). From an acquisition perspective, 2017 saw a continuation of strong prior trends, with the Company acquiring 62 surgeries (2016: 67 surgeries, 3 crematoria). Total acquisition spend in the year ended 30 June 2017 was £48.4m (2016: £61.3 million). Of particular note were the acquisition of the Group's first practices in mainland Europe, through the purchase of nine surgeries in the Netherlands, and the acquisition of B&W Equine in the UK, which will allow for further development of the Company's equine business.

In a trading update released on 17 January 2018, CVS confirmed that, since the start of the current financial year on 1 July 2017 and up to that date, the Group had made a total of 19 acquisitions of 30 surgeries bringing its total number of surgeries to 453. The total consideration paid for these latest acquisitions was approximately £28.0m. In that trading update, CVS also reported strong like-for-like trading in the first half of 5.6% compared to the same period last year (after adjusting for one less trading day compared to the half year ended 31 December 2016). Excluding the fast growing Animed online dispensary, the figure was 3.0%. This is in line with what the Board considers to be the longer term industry growth rate and was a marked improvement on the like-for-like trading growth

observed at the time of the Group's November update for the 4 months to 31 October 2017. The recent recovery primarily reflects stronger like-for-like trading in November and December, and also, from 1 December 2017, a price increase on fees. On 1 January 2018, the Group increased its Healthy Pet Club prices for new members and renewals. At the time, the Company indicated that trading in the first half of the year was against stronger comparatives than the second half.

The Group has also separately announced today its interim results for the six months to 31 December 2017, confirming that, in the half year, the Group achieved revenues of £157.8m, 21.9 per cent. higher than for H1 2017. Whilst a substantial proportion of this increase came from acquisitions, like-for-like sales grew strongly by 5.6% (adjusted for one less day trading in the period compared to the prior half year). £17.2 million of the revenue growth reported in the period reflected the impact of acquisitions made in the prior year, with a further £4.7 million of top-line growth arising from acquisitions made during the period and from newly opened sites. Adjusted EBITDA¹ rose by 15.5 per cent. to £24.0m.

Operating profit was lower at £8.1m (2016: £9.5m) reflecting the increase in adjusted EBITDA¹ offset by the amortisation of intangible assets, deferred consideration and the costs of acquisitions. Adjusted profit before tax², which excludes the amortisation of intangible assets, increased by 10.8 per cent. to £18.3m (2016: £16.5m) and adjusted earnings per share³ rose by 6.5 per cent. from 21.5p to 22.9p, due to the significant increase in adjusted EBITDA.

In its interim results release, the Group also confirmed that it has acquired a further 4 surgeries in the UK, in the small animal and equine segments, for a provisional cash consideration of approximately £3.5m, bringing its total number of surgeries to 457.

Despite the emergence of a number of other large players, the UK market for veterinary services still remains relatively fragmented and the Board estimates that CVS's market share of the smaller animal market is approximately 14 per cent. and much lower in the farm animal and equine segments. In the past 18 months, CVS has made its first acquisitions in the Netherlands and in Northern Ireland, extending its geographical footprint. The Group now has 8 sites in Northern Ireland and 15 in the Netherlands, which is regarded by the Board as being a market that shares many of the characteristics of that of the UK. The extent of the Group's established network in the UK and its business in the Netherlands continue to offer significant opportunities for future acquisitive growth.

The pipeline of acquisitions over which the Company has visibility is strong, including approximately £40 million of accepted offers (which are non-binding, subject to due diligence and legal agreement). A significant proportion of the funding headroom created by the Placing will enable the Company to execute, in the coming six months, on this identified current pipeline. Whilst a low proportion of acquisitions do not proceed as planned, the Group's pipeline tends to replenish continually.

Over the past two-and-a-half years, the number and pace of acquisitions made by the Group in the UK and in the Netherlands has increased, and includes farm animal and equine as well as companion animals, and mixed practices. The identified pipeline includes opportunities in the UK and the Netherlands, and across all business areas. The Group wishes to ensure it is able to continue to acquire and integrate veterinary practices in the UK and the Netherlands, whilst sustaining an appropriate balance between debt and equity funding. Having considered the potential opportunities within the Company's current pipeline of targeted acquisitions and anticipated further acquisitions in the short and medium term, the Directors consider it is appropriate to raise further equity capital to help them achieve this objective.

¹ Adjusted EBITDA (earnings before interest, tax, depreciation and amortisation) is profit before income tax, net finance expense, depreciation, amortisation, costs relating to business combinations and exceptional items.

² Adjusted profit before income tax is calculated as profit on ordinary activities before amortisation, taxation, costs relating to business combinations and exceptional items.

³ Adjusted earnings per share is calculated as adjusted profit before income tax less applicable taxation divided by the weighted average number of ordinary shares in issue during the period.

Continuing Growth Strategy

CVS has a successful track record of acquiring and integrating veterinary practices and other complementary operations and implementing a range of organic growth initiatives that benefit from the Group's scale and integrated model. In addition to growth driven by current year acquisitions, the annualisation effect of owning acquired businesses for a full financial period, the maturing of sites and synergies derived from recently acquired operations, the drivers of future organic growth for the Group are believed by the Directors to include:

- increased membership and revenues from healthy pet club loyalty schemes;
- the increasing number and proportion of own brand medicines and pet food;
- greater buying power;
- dedicated out-of-hours emergency cover;
- increased specialist referral work;
- increasing sales of the Group's laboratory analysis services; and,
- growth opportunities from Animed Direct.

The Group also continues to expand its offering with the recently introduced own brand pet insurance product, MiPet Cover, being a key development.

The Group sees current levels of acquisition activity as sustainable in the medium term, supported by a pipeline of potential opportunities which remains full, even following the period of high activity experienced over the last two-and-a-half years. The Board considers that the markets in both the UK and the Netherlands offer further scope for consolidation and that CVS has an advantage in driving such business aggregation, given the merits to vendors and to their personnel of being part of a larger integrated group.

Following completion of the Placing, the Group will continue to invest in its integrated model in line with those details provided in its annual report for the year ended 30 June 2017. In addition to pursuing further acquisitions, continued expansion of its referrals business, development of its external sales and laboratory analyser units, investment in its crematoria businesses and expansion of its out-of-hours centres in order to reduce the Group's reliance on third party providers, CVS will also continue to invest in the training and career development of its staff and will look to develop both managerial and operational abilities through programmes such as its Aspirational Leadership and LEAP programmes. The Board sees these initiatives as key to attracting, retaining and motivating its staff and to managing the industry-wide challenges of recruitment and retention in the UK veterinary industry.

The Board does not currently intend to change its acquisitive or organic growth strategies following completion of the Placing, but to build on the many strengths of the Group's existing businesses. The Group will also seek to continue to improve its operating efficiency, whilst ensuring that resources remain adequate to successfully integrate acquisitions and to develop the business further.

Authority to Issue Shares

The Company has existing shareholder authorities to issue up to a total of 6,391,000 Placing Shares for cash, representing approximately 9.88 per cent. of its current total voting rights. This includes a general authority to issue up to 3,195,500 Placing Shares (approximately 4.94 per cent. of the Company's current total voting rights) and a further authority to issue another 3,195,500 Placing Shares only in certain circumstances, including the refinancing of debt utilised in the past 6 months to fund acquisitions. The announcement of the result of the Placing will include a list of acquisitions concluded within the six-month period prior to the date of this announcement, for which the Further Authority is being utilised.

The Board considers that, taken in aggregate, both the issue of the Placing Shares and the placing undertaken by the Company in December 2016 made, in each case, on a non pre-emptive basis, are consistent with the Pre-Emption Group Guidelines which detail when it is appropriate for an issuer to exceed the 7.5 per cent. threshold for total share issuance in any rolling three-year period. On both occasions, the Group has not only consulted with shareholders in advance through market soundings and by providing an explanation of the proposed new issuance, but has also explained to shareholders the circumstances in which the Company would use such authorities at the time they were sought (in both cases, in the preceding Notice of Annual General Meeting and at the relevant meeting itself).

Risks and Uncertainties

A description of the principal risks and uncertainties associated with the Group's businesses and how they are being managed is included in the Group's Annual Report and Accounts for the year ended 30 June 2017 (on pages 25 and 26). The Board considers that these principal risks and uncertainties are those which continue to be applicable to the Group at the current time.

- 1 N+1 Singer is acting as nominated adviser, financial adviser and broker to the Placing, as agent for and on behalf of the Company. N+1 Singer is authorised and regulated in the United Kingdom by the FCA and is acting exclusively for the Company and no one else in connection with the matters referred to in this Announcement and will not be responsible to anyone other than the Company for providing the protections afforded to the customers of N+1 Singer or for providing advice in relation to the matters described in this Announcement.

- 2 Participation in the Placing will only be available to persons who may lawfully be, and are, invited by N+1 Singer to participate. N+1 Singer and any of its respective affiliates are entitled to participate in the Placing as principal.
- 3 The price per Placing Share will be payable by all Placees to N+1 Singer (as agent of the Company). The Placing Price and number of Placing Shares will be agreed between the Company and N+1 Singer at the close of the Bookbuild and confirmed to Placees by telephone and/or email along with their final allocation, and will be disclosed in the announcement confirming the result of the Placing.
- 4 Each Placee's allocation is determined by N+1 Singer in its discretion following consultation with the Company and has been or will be confirmed orally by N+1 Singer and a Form of Confirmation will be dispatched as soon as possible thereafter. That oral confirmation will give rise to an irrevocable, legally binding commitment by that person (who at that point becomes a Placee), in favour of N+1 Singer and the Company, under which it agrees to acquire the number of Placing Shares allocated to the Placee at the Placing Price and otherwise on the terms and subject to the conditions set out in this Appendix and in accordance with the Company's articles of association. Except with N+1 Singer's prior written consent, such commitment will not be capable of variation or revocation at the time at which it is submitted.
- 5 Each Placee's allocation and commitment will be evidenced by a Form of Confirmation issued to such each Placee by N+1 Singer. The terms of this Appendix will be deemed incorporated in that Form of Confirmation.
- 6 Each Placee will have an immediate, separate, irrevocable and binding obligation, owed to N+1 Singer (as agent for the Company), to pay to it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has agreed to acquire and the Company has agreed to allot and issue to that Placee.
- 7 Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing is/are confirmed, settlement for all Placing Shares to be issued pursuant to the Placing will be required to be made at the same time, on the basis explained below under "**Registration and Settlement**".
- 8 All obligations of N+1 Singer under the Placing will be subject to fulfilment of the conditions referred to below under "Conditions of the Placing" and to the Placing not being terminated on the basis referred to below under "Termination of the Placing".
- 9 By participating in the Placing, each Placee will agree that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.
- 10 To the fullest extent permissible by law and applicable FCA rules, none of (a) N+1 Singer, (b) any of N+1 Singer's affiliates, agents, directors, officers, consultants, (c) to the extent not contained within (a) or (b), any person connected with N+1 Singer as defined in FSMA ((b) and (c) being together "**affiliates**" and individually an "**affiliate**" of N+1 Singer) or (d) any person acting on N+1 Singer's behalf, shall have any liability (including to the extent permissible by law, any fiduciary duties) to Placees or to any other person whether acting on behalf of a Placee or otherwise. In particular, neither N+1 Singer nor any of its respective affiliates shall have any liability (including, to the extent permissible by law, any

fiduciary duties) in respect of their conduct of the Placing or of such alternative method of effecting the Placing as N+1 Singer and the Company may agree.

Registration and Settlement

If Placees are allocated any Placing Shares in the Placing they will be sent a Form of Confirmation by N+1 Singer, as soon as it is able, which will confirm the number of Placing Shares allocated to them, the Placing Price and the aggregate amount owed by them to N+1 Singer (as agent for the Company).

Each Placee will be deemed to agree that it will do all things necessary to ensure that delivery and payment is completed as directed by N+1 Singer in accordance with either the standing CREST or certificated settlement instructions which they have in place with N+1 Singer.

Settlement of transactions in the Placing Shares (ISIN: GB00B2863827) following Admission will take place within the CREST system, subject to certain exceptions. Settlement through CREST is expected to take place on 20 February 2018 unless otherwise notified by N+1 Singer and Admission is expected to occur no later than 8.00 a.m. on 20 February 2018 unless otherwise notified by N+1 Singer. Admission and settlement may occur at an earlier date which, if achievable, will be notified through a Regulatory Information Service. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and N+1 Singer may agree that the Placing Shares should be issued in certificated form. N+1 Singer reserves the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as it deems necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in a Placee's jurisdiction.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above, in respect of either CREST or certificated deliveries, at the rate of 2 percentage points above prevailing LIBOR as determined by N+1 Singer.

Each Placee agrees that, if it does not comply with these obligations, N+1 Singer may sell, charge by way of security (to any funder of N+1 Singer) or otherwise deal with any or all of their Placing Shares on their behalf and retain from the proceeds, for N+1 Singer's own account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due and any costs and expenses properly incurred by N+1 Singer as a result of the Placee's failure to comply with its obligations. The relevant Placee will, however, remain liable for any shortfall below the amount owed by it and for any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of their Placing Shares on their behalf. Legal and/or beneficial title in and to any Placing Shares shall not pass to the relevant Placee until such time as it has fully complied with its obligations hereunder.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees must ensure that, upon receipt, the conditional Form of Confirmation is copied and delivered immediately to the relevant person within that organisation. Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to United Kingdom stamp duty or stamp duty reserve tax. Placees will not be entitled to receive any fee or commission in connection with the Placing.

Conditions of the Placing

The Placing is conditional upon the Placing Agreement becoming unconditional and not having been terminated in accordance with its terms.

The obligations of N+1 Singer under the Placing Agreement are, and the Placing is, conditional upon, inter alia:

- (a) none of the warranties or undertakings on the part of the Company contained in the Placing Agreement being or having become untrue, inaccurate or misleading at any time before Admission, and no fact or circumstance having arisen which would constitute a breach of any of the warranties or undertakings given in the Placing Agreement or which would have a Material Adverse Effect;
- (b) the performance by the Company of its obligations under the Placing Agreement to the extent they fall to be performed prior to Admission;
- (c) no matter having arisen before Admission which might reasonably be expected to give rise to an indemnity claim under the Placing Agreement;
- (d) each condition to enable the Placing Shares to be admitted as participating securities (as defined in the Regulations) in CREST (other than Admission) and enabled for settlement being satisfied on or before 8.00 a.m. on the date of Admission; and
- (e) Admission occurring by not later than 8.00 a.m. on 2 March 2018 (or such later date as the Company and N+1 Singer may agree in writing, in any event being not later than 16 March 2018),

(all conditions to the obligations of N+1 Singer included in the Placing Agreement being together, the "**conditions**").

If any of the conditions are not fulfilled or, where permitted, waived in accordance with the Placing Agreement within the stated time periods (or such later time and/or date as the Company and N+1 Singer may agree, provided that the time for satisfaction of the condition set out in (e) above shall not be extended beyond 8.00 a.m. on 16 March 2018), or the Placing Agreement is terminated in accordance with its terms, the Placing will lapse and the Placees rights and obligations shall cease and terminate at such time and each Placee agrees that no claim can be made by or on behalf of the Placee (or any person on whose behalf the Placee is acting) in respect thereof.

By participating in the Placing, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described above and under "Termination of the Placing" below and will not be capable of rescission or termination by it.

Certain conditions may be waived in whole or in part by N+1 Singer, in its absolute discretion by notice in writing to the Company and N+1 Singer may also agree in writing with the Company to extend the time for satisfaction of any condition. Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

N+1 Singer may terminate the Placing Agreement in certain circumstances, details of which are set out below.

Neither N+1 Singer, the Company nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision any of them may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition nor for any decision any of

them may make as to the satisfaction of any condition or in respect of the Placing generally, and by participating in the Placing, each Placee agrees that any such decision is within the absolute discretion of N+1 Singer.

Termination of the Placing

N+1 Singer may terminate the Placing Agreement, in accordance with its terms, at any time prior to Admission if, inter alia:

- 1 it comes to the attention of N+1 Singer that any of the warranties on the part of the Company contained in the Placing Agreement were not true or accurate, or were misleading when given or deemed given; or
- 2 it comes to the attention of N+1 Singer that the Company has failed to comply with its obligations under the Placing Agreement, FSMA, the AIM Rules or other applicable law; or
- 3 it comes to the attention of N+1 Singer that any statement contained in the Placing Materials has become or been discovered to be untrue, inaccurate or misleading in any material respect; or
- 4 there shall have developed or occurred any act of terrorism, outbreak of hostilities, change in national or international financial, monetary, economic, political or market conditions, including fluctuation in exchange rates, which would have a Material Adverse Effect.

If the Placing Agreement is terminated in accordance with its terms, the rights and obligations of each Placee in respect of the Placing as described in this Announcement shall cease and terminate at such time and no claim can be made by any Placee in respect thereof.

By participating in the Placing, each Placee agrees with the Company and N+1 Singer that the exercise by the Company or N+1 Singer of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or N+1 Singer and that neither the Company nor N+1 Singer need make any reference to such Placee and that neither N+1 Singer, the Company, nor any of their respective affiliates, agents, directors, officers or employees shall have any liability to such Placee (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

By participating in the Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and under the "Conditions of the Placing" section above and will not be capable of rescission or termination by it after the issue by N+1 Singer of a Form of Confirmation confirming each Placee's allocation and commitment in the Placing.

Representations, warranties and further terms

- 26.3 (other than as set out in the Placing Materials) it has neither received nor relied on any confidential price sensitive information about the Company in accepting this invitation to participate in the Placing;

- 26.10 in order to ensure compliance with the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, N+1 Singer (for itself and as agent on behalf of the Company) or the Company's registrars may, in their absolute discretion, require verification of its identity. Pending the provision to N+1 Singer or the Company's registrars, as applicable, of evidence of identity, definitive certificates in respect of the Placing Shares may be retained at N+1 Singer's absolute discretion or, where appropriate, delivery of the Placing Shares to it in uncertificated form may be delayed at N+1 Singer's or the Company's registrars', as the case may be, absolute discretion. If within a reasonable time after a request for verification of identity N+1 Singer (for itself and as agent on behalf of the Company) or the Company's registrars have not received evidence satisfactory to them, N+1 Singer and/or the Company may, at its absolute discretion, terminate its commitment in respect of the Placing, in which event the monies payable on acceptance of allotment will, if already paid, be returned without interest to the account of the drawee's bank from which they were originally debited;
- 26.11 acknowledges that its commitment to acquire Placing Shares on the terms set out in this Announcement and in the Form of Confirmation will continue notwithstanding any amendment that may in future be made to the terms and conditions of the Placing and that Placees will have no right to be consulted or require that their consent be obtained with respect to the Company's or N+1 Singer's conduct of the Placing;

- 26.14 the Company, N+1 Singer and others (including each of their respective affiliates, agents, directors, officers or employees) will rely upon the truth

and accuracy of the foregoing representations, warranties, acknowledgements and agreements, which are given to N+1 Singer, on its own behalf and on behalf of the Company and are irrevocable;

- 26.15 if it is acquiring the Placing Shares as a fiduciary or agent for one or more investor accounts, it has full power and authority to make, and does make, the foregoing representations, warranties, acknowledgements, agreements and undertakings on behalf of each such account;
- 26.16 time is of the essence as regards its obligations under this Appendix;
- 26.17 any document that is to be sent to it in connection with the Placing will be sent at its risk and may be sent to it at any address provided by it to N+1 Singer;

- 26.19 these terms and conditions in this Appendix and all documents into which this Appendix is incorporated by reference or otherwise validly forms a part and/or any agreements entered into pursuant to these terms and conditions and all agreements to acquire shares pursuant to the Placing will be governed by and construed in accordance with English law and it submits to the exclusive jurisdiction of the English courts in relation to any claim, dispute or matter arising out of any such contract, except that enforcement proceedings in respect of the obligation to make payment for the Placing Shares (together with any interest chargeable thereon) may be taken by the Company or N+1 Singer in any jurisdiction in which the relevant Placee is incorporated or in which any of its securities have a quotation on a recognised stock exchange.

- 27 by participating in the Placing, each Placee (and any person acting on such Placee's behalf) agrees to indemnify and hold the Company, N+1 Singer and each of their respective affiliates, agents, directors, officers and employees harmless from any and all costs, claims, liabilities and expenses (including legal fees and expenses) arising out of or in connection with any breach of the representations, warranties, acknowledgements, agreements and undertakings given by the Placee (and any person acting on such Placee's behalf) in this Appendix or incurred by N+1 Singer, the Company or each of their respective affiliates, agents, directors, officers or employees arising from the performance of the Placee's obligations as set out in this Announcement, and further agrees that the provisions of this Appendix shall remain in full force and effect after completion of the Placing. The agreement to allot and issue Placing Shares to Placees (or the persons for whom Placees are contracting as agent) free of stamp duty and stamp duty reserve tax in the United Kingdom relates only to their allotment and issue to Placees, or such persons as they nominate as their agents, direct by the Company. Such agreement assumes that the Placing Shares are not being acquired in connection with arrangements to issue depositary receipts or to transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement related to any other dealings in the Placing Shares, stamp duty or stamp duty reserve tax may be payable.
